- (a) There are extraordinary and exceptional conditions or practical difficulties pertaining to the particular piece of property in question because of its size, shape or topography that are not applicable to other lands or structures in the same district;

- (c) Granting the variance requested will not confer upon the property of the applicant any special privileges that are denied to other properties of the district in which the applicant's property is located;
- (d) The requested variance will be in harmony with the purpose and intent of this ordinance and will not be injurious to the neighborhood or to the general welfare;
- (e) The special circumstances are not the result of the actions of the applicant;
- (f) The variance requested is the minimum variance that will make possible the proposed use of the land, building, or structure in the use district proposed; and
- (g) The variance shall not permit a use of land, buildings or structures, which is not permitted by right in the zoning district or overlay district involved.
