

Meter Set Fee

The Meter Set Fee includes the cost of the meter cost plus labor and back flow costs to set the meter by City staff (see formula below).

Water System Development Charge

The System Development Charge (SDC) for water service recovers the fair share value of system capacity being requested and an administrative fee.

Wastewater System Development Charge

The Wastewater System Development Charge (SDC) recovers the fair share value of system capacity being requested and an administrative fee. The cost of installation of sewer connection is the responsibility of the developer/owner.

Water Meter Size (in inches)	Meter Set Fee	Water System Development Charge	Water SDC Admin Fee	Wastewater System Development Charge	Wastewater SDC Admin Fee	Total Capacity Related	Grand Total
Multiunit Master Meter with Sub-Meters	See below for Master Meter Size	\$773	\$23	\$1,932	\$36	\$2,764	\$5,528
3/4"	\$580*	\$1,104	\$33	\$2,760	\$50	\$3,947	\$4,527
1"	\$750**	\$2,760	\$50	\$6,900	\$50	\$9,760	\$10,510
1 1/2"	N/A	\$5,520	\$50	\$13,800	\$50	\$19,420	\$19,420
2"	N/A	\$8,832	\$50	\$22,080	\$50	\$31,012	\$31,012
3"	N/A	\$17,664	\$50	\$44,160	\$50	\$61,924	\$61,924
4"	Developer Installed	\$27,600	\$50	\$69,000	\$50	\$96,700	\$96,700
6"	Developer Installed	\$55,200	\$50	\$138,000	\$50	\$193,300	\$193,300
8"	Developer Installed	\$88,320	\$50	\$220,800	\$50	\$309,220	\$309,220

*3/4" = \$200 labor + 3/4 meter is \$129 plus meter transmitter unit \$165 plus back flow \$86 = \$580.00

**1" = \$200 labor + 1" meter is \$217 plus meter transmitter unit \$165 plus back flow \$168 = \$750.00
